

HS3: Fieldwork Checklist

1. Are there more than 4 people undertaking the work today?

2. Have you checked that the weather forecast is OK?

3. Do you all have appropriate clothing and spare clothing?

4. Is the field kit complete?

5. Do you have spare batteries for the GPS?

6. Have you confirmed access with the landowner (if appropriate)?

7. Have you completed a Risk Assessment form (if required)?

8. Have you got at least one fully charged mobile with you?
